Dear Mr. Long:

This letter confirms a request made to your office to have the firm of Dewberry and Davis assist us in the preparation of material to be presented to the National Capital Planning Commission regarding the offsite road improvements to be made near the CIA entrance at State Route 123. The CIA will, if necessary, provide funds in addition to those already transferred to the Commonwealth of Virginia for the offsite road program.

Please call me on [redacted] if you have any questions regarding this request.

Sincerely,

[redacted]
